

Company Background

Southeastern Equipment traces its beginnings to 1957 when Bill and Nancy Baker began selling motor grader blades to townships and counties. Within a year, the company had expanded its product line to include Adams motor graders and construction equipment from the J.I. Case Co.

The first location was housed in a Quonset hut in Old Washington, Ohio, and the company has steadily grown over the last fifty plus years. Today, Southeastern Equipment Company serves Ohio, Indiana, Kentucky and Michigan from eighteen locations with over 200 employees. In addition, Southeastern has recently added an Environmental Division. The company has received accolades as the largest privately owned Case dealer in the world and the largest Kobelco dealer in the U.S.

Bill Baker has guided the company's expansion to insure that Southeastern's customers consistently receive proper care for their equipment, strategically locating each branch for optimum service. He also developed an 8,000 ft² training center at the Cambridge location, equipped with a classroom to seat 200 and large shop bays to display equipment. Both employees and customers have access to learning about cutting edge innovations at this unique facility.

The employees at Southeastern Equipment care deeply about insuring that their customers receive first class treatment. The company has chosen equipment brands that perform all day, every day, and they always deliver excellent parts and service support.

Services

Southeastern Equipment helps maximize uptime for customers with same day parts delivery and on-site emergency service. Technicians undergo extensive training and are factory trained for all equipment they service. They routinely troubleshoot a situation to identify problems and quickly offer solutions to enhance equipment performance.

When extra machines are required, Southeastern Equipment delivers clean, well maintained rental equipment right to the job site. Another option to satisfy equipment need is to select a machine from their used equipment fleet.

Equipment

The lines of equipment available at Southeastern include Case construction equipment, excavators from Gradall and Kobelco, Bomag road maintenance equipment, Etnyre distributors, sweepers from Schwarze Industries, Vacall sewer equipment, boomlifts and telehandlers from JLG, Genie and SkyTrak, Terex trucks, Eager Beaver trailers, Kubota Construction Equipment, Alamo mowers, and a wide variety of demolition tools, light equipment and attachments.

Customers

Customers who purchase equipment, parts and services from Southeastern Equipment represent a wide range of businesses—residential and commercial construction companies, road builders, excavating contractors, utility contractors, energy contractors, landscapers, government agencies, quarries and aggregate processors, farmers, landfills, municipality crews, and all sorts of industries with warehouses and routine maintenance needs.

Fact Sheet

Founded in 1957, Southeastern Equipment serves a wide range of markets that require off road equipment by providing excellent repair and rebuild facilities, knowledgeable technicians and a complete parts inventory. There are now eighteen locations across Ohio, Michigan, Kentucky, and Indiana.

Locations

- Headquartered in Cambridge, Ohio
- 18 locations
 - o Ohio – Brilliant, Brunswick, Cambridge, Dublin, Gallipolis, Heath, Mansfield, Marietta, Mentor, Monroe, North Canton, Perrysburg
 - o Indiana – Evansville, Ft. Wayne, Indianapolis
 - o Michigan – Holt, Novi
 - o Kentucky – Burlington
- Environmental Division
- Rental Division
- Asphalt Products Division
- Training Facility

Equipment Lines

Case Construction	Compact track loaders, compact excavators, full size excavators, skid steers, compact wheel loaders, wheel loaders, loader backhoes, crawler dozers, rough terrain forklifts, motor graders, loader/tool carriers, compaction equipment
Kobelco	Full-size excavators, mid-size excavators, compact excavators, short radius excavators, bladerunners
Bomag	Cold planer milling machines, soil stabilizers/asphalt recyclers, asphalt pavers, material transfer devices, landfill compactors, soil compactors, steel wheel rollers, pneumatic rollers, single drum rollers, tandem rollers, tampers, single directional plates, reversible plates, walk behind rollers, tandem ride on rollers
Kubota	Compact track loaders, excavators, loader backhoes, wheel loaders, skid steers
Gradall	Telescopic boom excavators
Etnyre	Asphalt distributors, chipspreaders, trailers (detachable lowboys), flushers/sprinklers
Vacall	Combination sewer cleaners, hydro excavators, industrial vacuum loaders
Terex Trucks	Off highway articulated trucks & rigid trucks
Schwarze	Street sweepers, road patching/maintenance equipment
Superior Broom	Self-propelled brooms
Midland Machinery	Road wideners
Sullair	Portable air compressors

Eager Beaver	Trailers (detachable lowboys & tags)
Cronkrite	Tag trailers
Alamo Industrial	Tractor mounted industrial mowers, tree trimmers, brush and tree cutters
Skytrak	Aerial lifts, telehandlers
JLG	Aerial work platforms, articulating booms, scissor lifts, telescopic booms, telehandlers
Genie	Aerial work platforms, articulating booms, scissor lifts, telescopic booms, telehandlers
Wacker-Neuson	Light towers
Magnum	Light towers, trash pumps, generators
Multiquip	Trash pumps, generator sets
Gorman-Rupp	Pumps & pump systems for use in water, wastewater, construction, industrial, petroleum, and agriculture
Dyna-Vac	Jet-N-Vac Trailers, Dyna-Jet Trailers, Dyna-Jet Flusher Trucks, Jet-N-Vac Trucks, Vacuum Trucks, Portable Toilet Service Equipment, Grease Trap Service Equipment
Cimline	Cracksealing equipment
DuraPatcher	Pothole patching solutions
Mauldin	Asphalt pavers, rollers, grader maintainers
KM International	Asphalt maintenance equipment
New Way	Refuse trucks
Pearpoint	Pipeline inspection equipment

Attachment & Accessory Lines

Allied	Winches for dozers
Carco	Winchers for dozers
Meyer	Snow plows, spreaders
Gledhill	Snow plows, spreaders, dump bodies
Arctic	Sectional snow plows
Scoop Dogg	Snow pushers
MacLean Engineering	Municipal vehicles
FRD Furukawa Rock Drill USA	Hydraulic breakers, plate compactors, compaction wheels, auto-couplers, pedestal booms, pneumatic breakers, mechanical thumbs

Werk-Brau	Buckets and attachments for backhoes, excavators, and skid steers
Fecon	Brush cutters, track carriers, wood harvesting machines, attachments
Geith	Buckets, hitches, thumbs, rippers, grapples, crushers, adapter plates
Paladin	Attachments for skid steers, excavators, wheel loaders, and backhoes
BIC	Enhancements for Case backhoes, forklifts, and skid steers
Coneqtec Universal	Asphalt planers, asphalt saws, compaction plates, grinders, hydraulics, tillers
ACS	Attachments, buckets, and couplers for wheel loaders, excavators, backhoes, dozers, and graders
Ambusher	Rotary cutters, swipe blades, post pullers
Okada	Demolition attachments
AIM	Attachments, buckets, excavator thumbs
Helac	Hydraulic rotary actuators, attachments
MB Companies	Road material brooms, snow removal brooms
USB Equipment	Sewer cleaning specialty tools, sewer cleaning nozzles, chain cutters, milling cutters
GeoShack/Topcon	Laser, sonic, robotic, GPS or mmGPS grade control
Parker	Hydraulic hoses & fittings
Boyd & Sons	Rubber tracks, undercarriages
Loeering	Track systems

Services

- New & Used Equipment
- Equipment rental & leasing
- Equipment Parts & Service
- Factory trained service technicians
- On-site field service
- Machine inspection, maintenance
- Oil and wear analysis
- Parts support with a multimillion dollar inventory
- Online parts catalog
- Undercarriage monitoring and replacement
- CNH revolving account for parts, services, rental and accessory purchases
- Extended warranties
- Insurance—Liability for equipment
- Machine start up training
- Welding & Fabrication
- Tailored financing for equipment
- Remanufactured engines, transmissions, hydraulics, parts and components

Southeastern Equipment's Mission Statement

To be a full service equipment sales and rental organization.

To serve the total equipment needs of all earthmoving and flexible paving interests, private and public.

To provide the highest level of support and maintain the highest level of integrity in the industry.

To treat every customer as if they are the owner of our company.
